PERSONAL DEVELOPMENT

Elevate Your Performance: Making Your Work Ethic Personal

PRESENTED BY

Bryant Hawkins, Director-Clinical Engineering, HTM On
The Line, Children's Hospital New Orleans

INTRODUCTION

ELEVATING PERFORMANCE
IS ABOUT PERSONAL PRIDE

IMAGINE YOUR WORKSPACE
AS YOUR ARENA

OWN IT, MAKE YOUR MARK

BUILDING A LEGACY

WORK ETHIC IS NOT JUST
A PAYCHECK OR TITLE.

ASK YOURSELF, “WHAT AM
I FIGHTING FOR?”

MAKE IT PERSONAL; IT
MATTERS MORE

Excellence Through Choices

- Excellence requires actions, decisions, and suffering.
- Make hard choices: wake up early, review goals, work relentlessly.
- Small choices add up, defining your path

Mental Toughness

Limits are mental
barriers.

Break barriers through
consistent choices

Endure and push
beyond comfort

The Illusion of Comfort

Comfort leads to complacency

It prevents growth and keeps life uneventful

The Call of Purpose

Purpose drives
ambition and
fulfillment

Align with
values and
potential

Face fears and
grow through
discomfort.

Commitment and Consistency

Commitment is the foundation of success.

Make a firm decision not to back down

Consistency is the daily journey.

The Power of Commitment and Consistency

Understanding Your Why

Your “why” fuels
commitment and
consistency.

Highlighting the
Women in HTM

Courage to Stand Out

Overcome doubt
and negativity
and time

Dedicate time to
positive thoughts
and actions

Embracing Time

TIME IS CRUCIAL IN YOUR HTM
CAREER AND PERSONAL GROWTH

MEASURE AND MANAGE TIME
EFFECTIVELY

Be the Star of your HTM career

Take the lead role in your HTM career

Embrace opportunities and create your moments

**“IF YOU DON’T BECOME THE STAR
OF YOUR OWN MOVIE OF YOUR LIFE,
YOU’LL BE AN EXTRA IN SOMEBODY ELSE’S..”**

Actions Speak Louder Than Words

Actions define
who you are

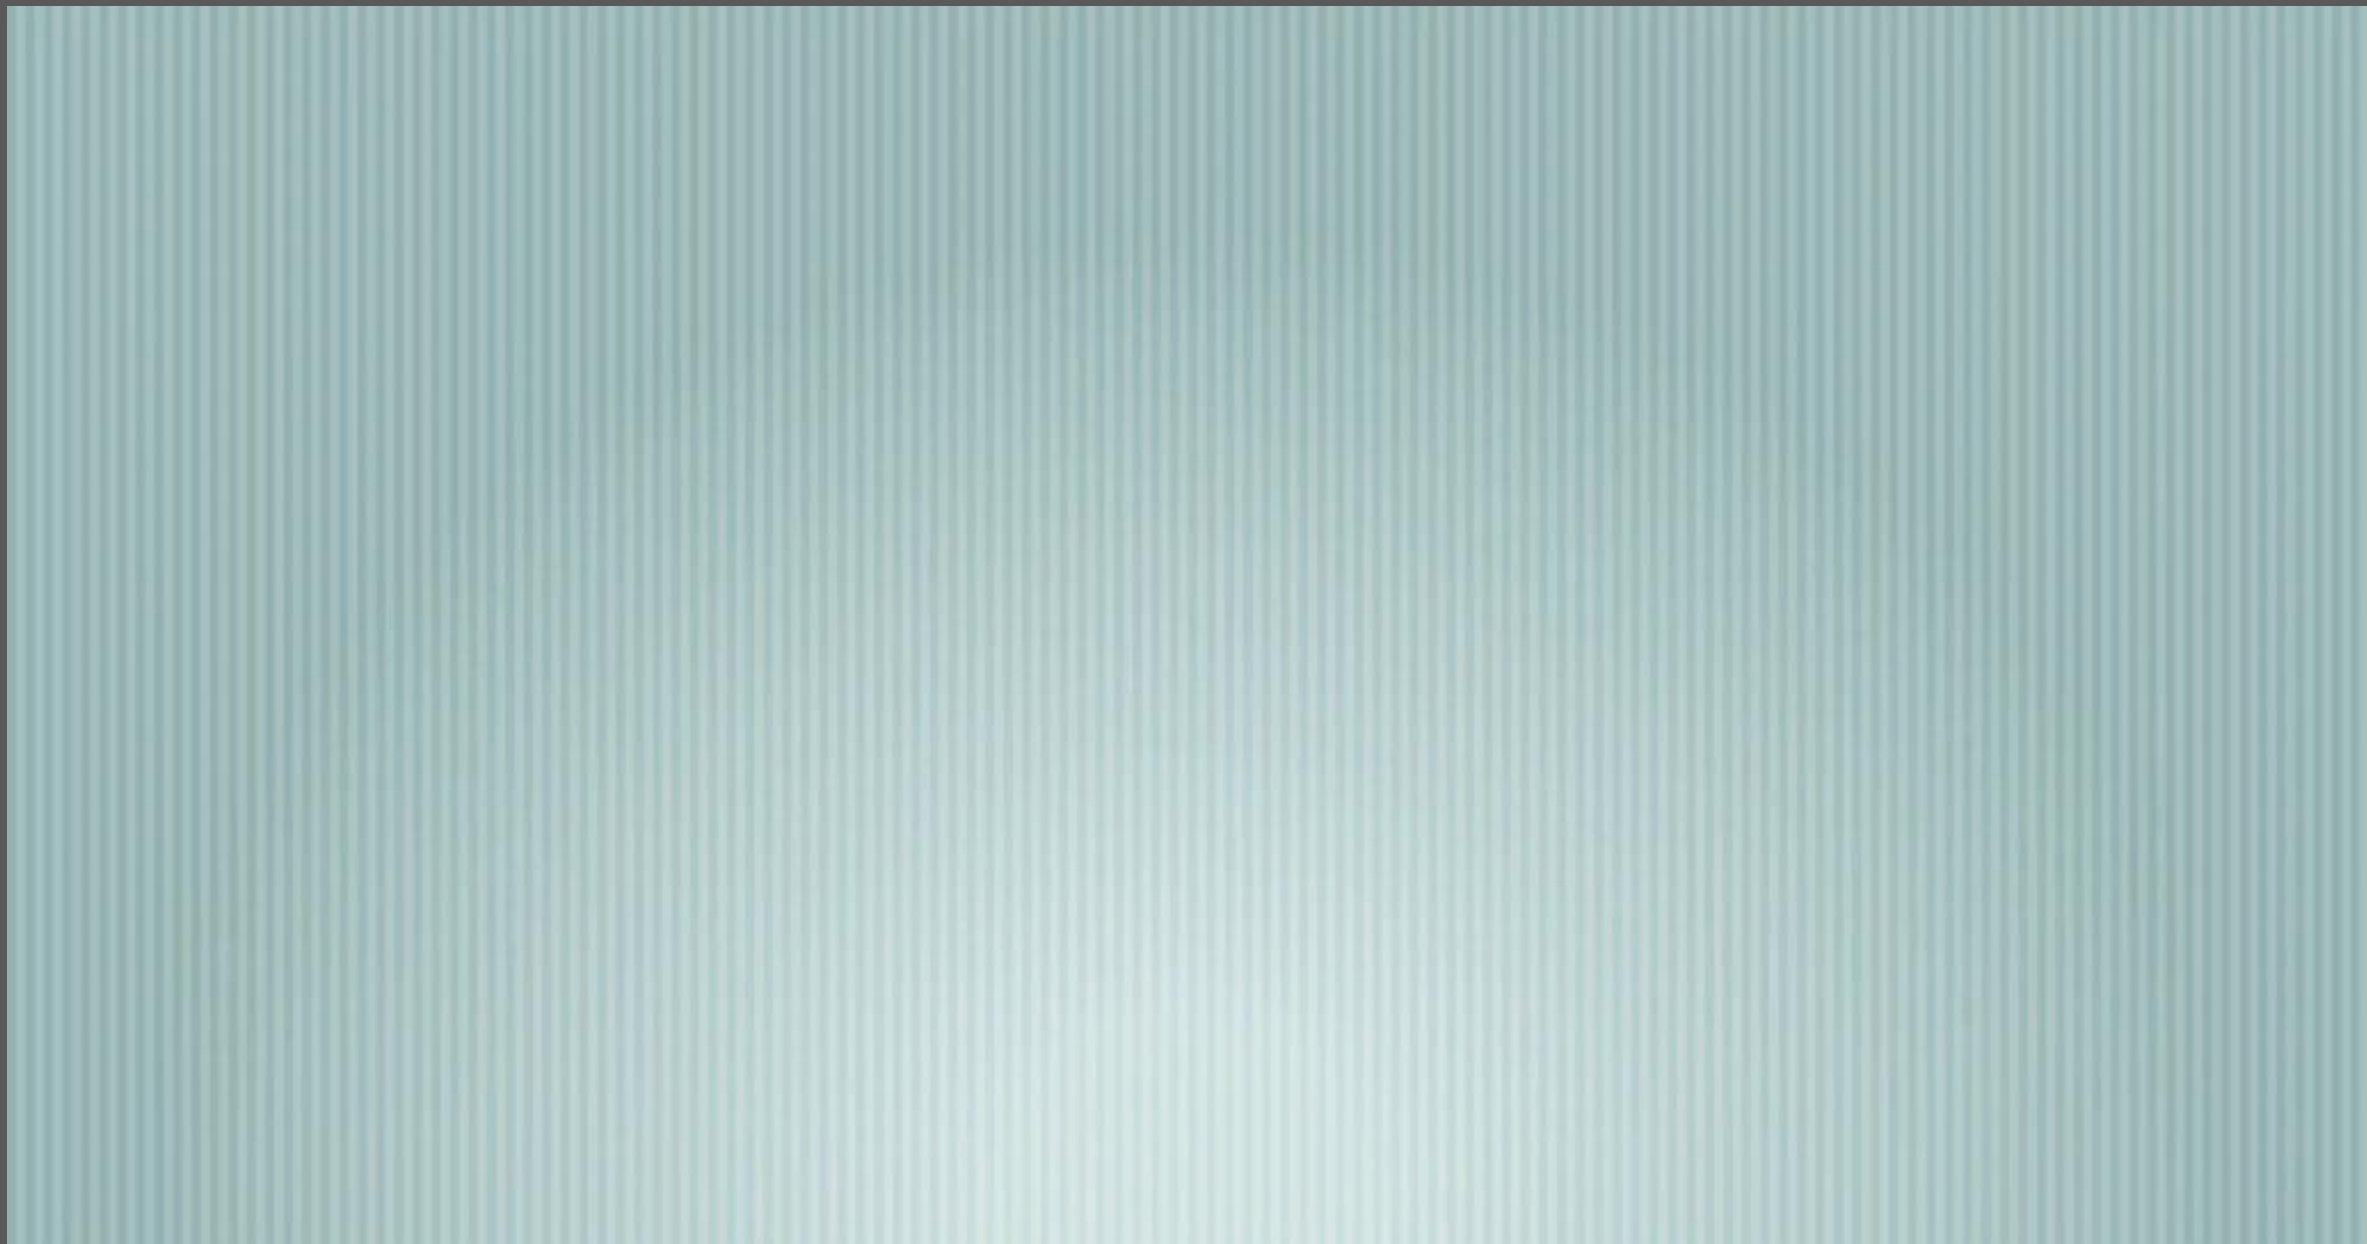

Choose
discipline over
distractions

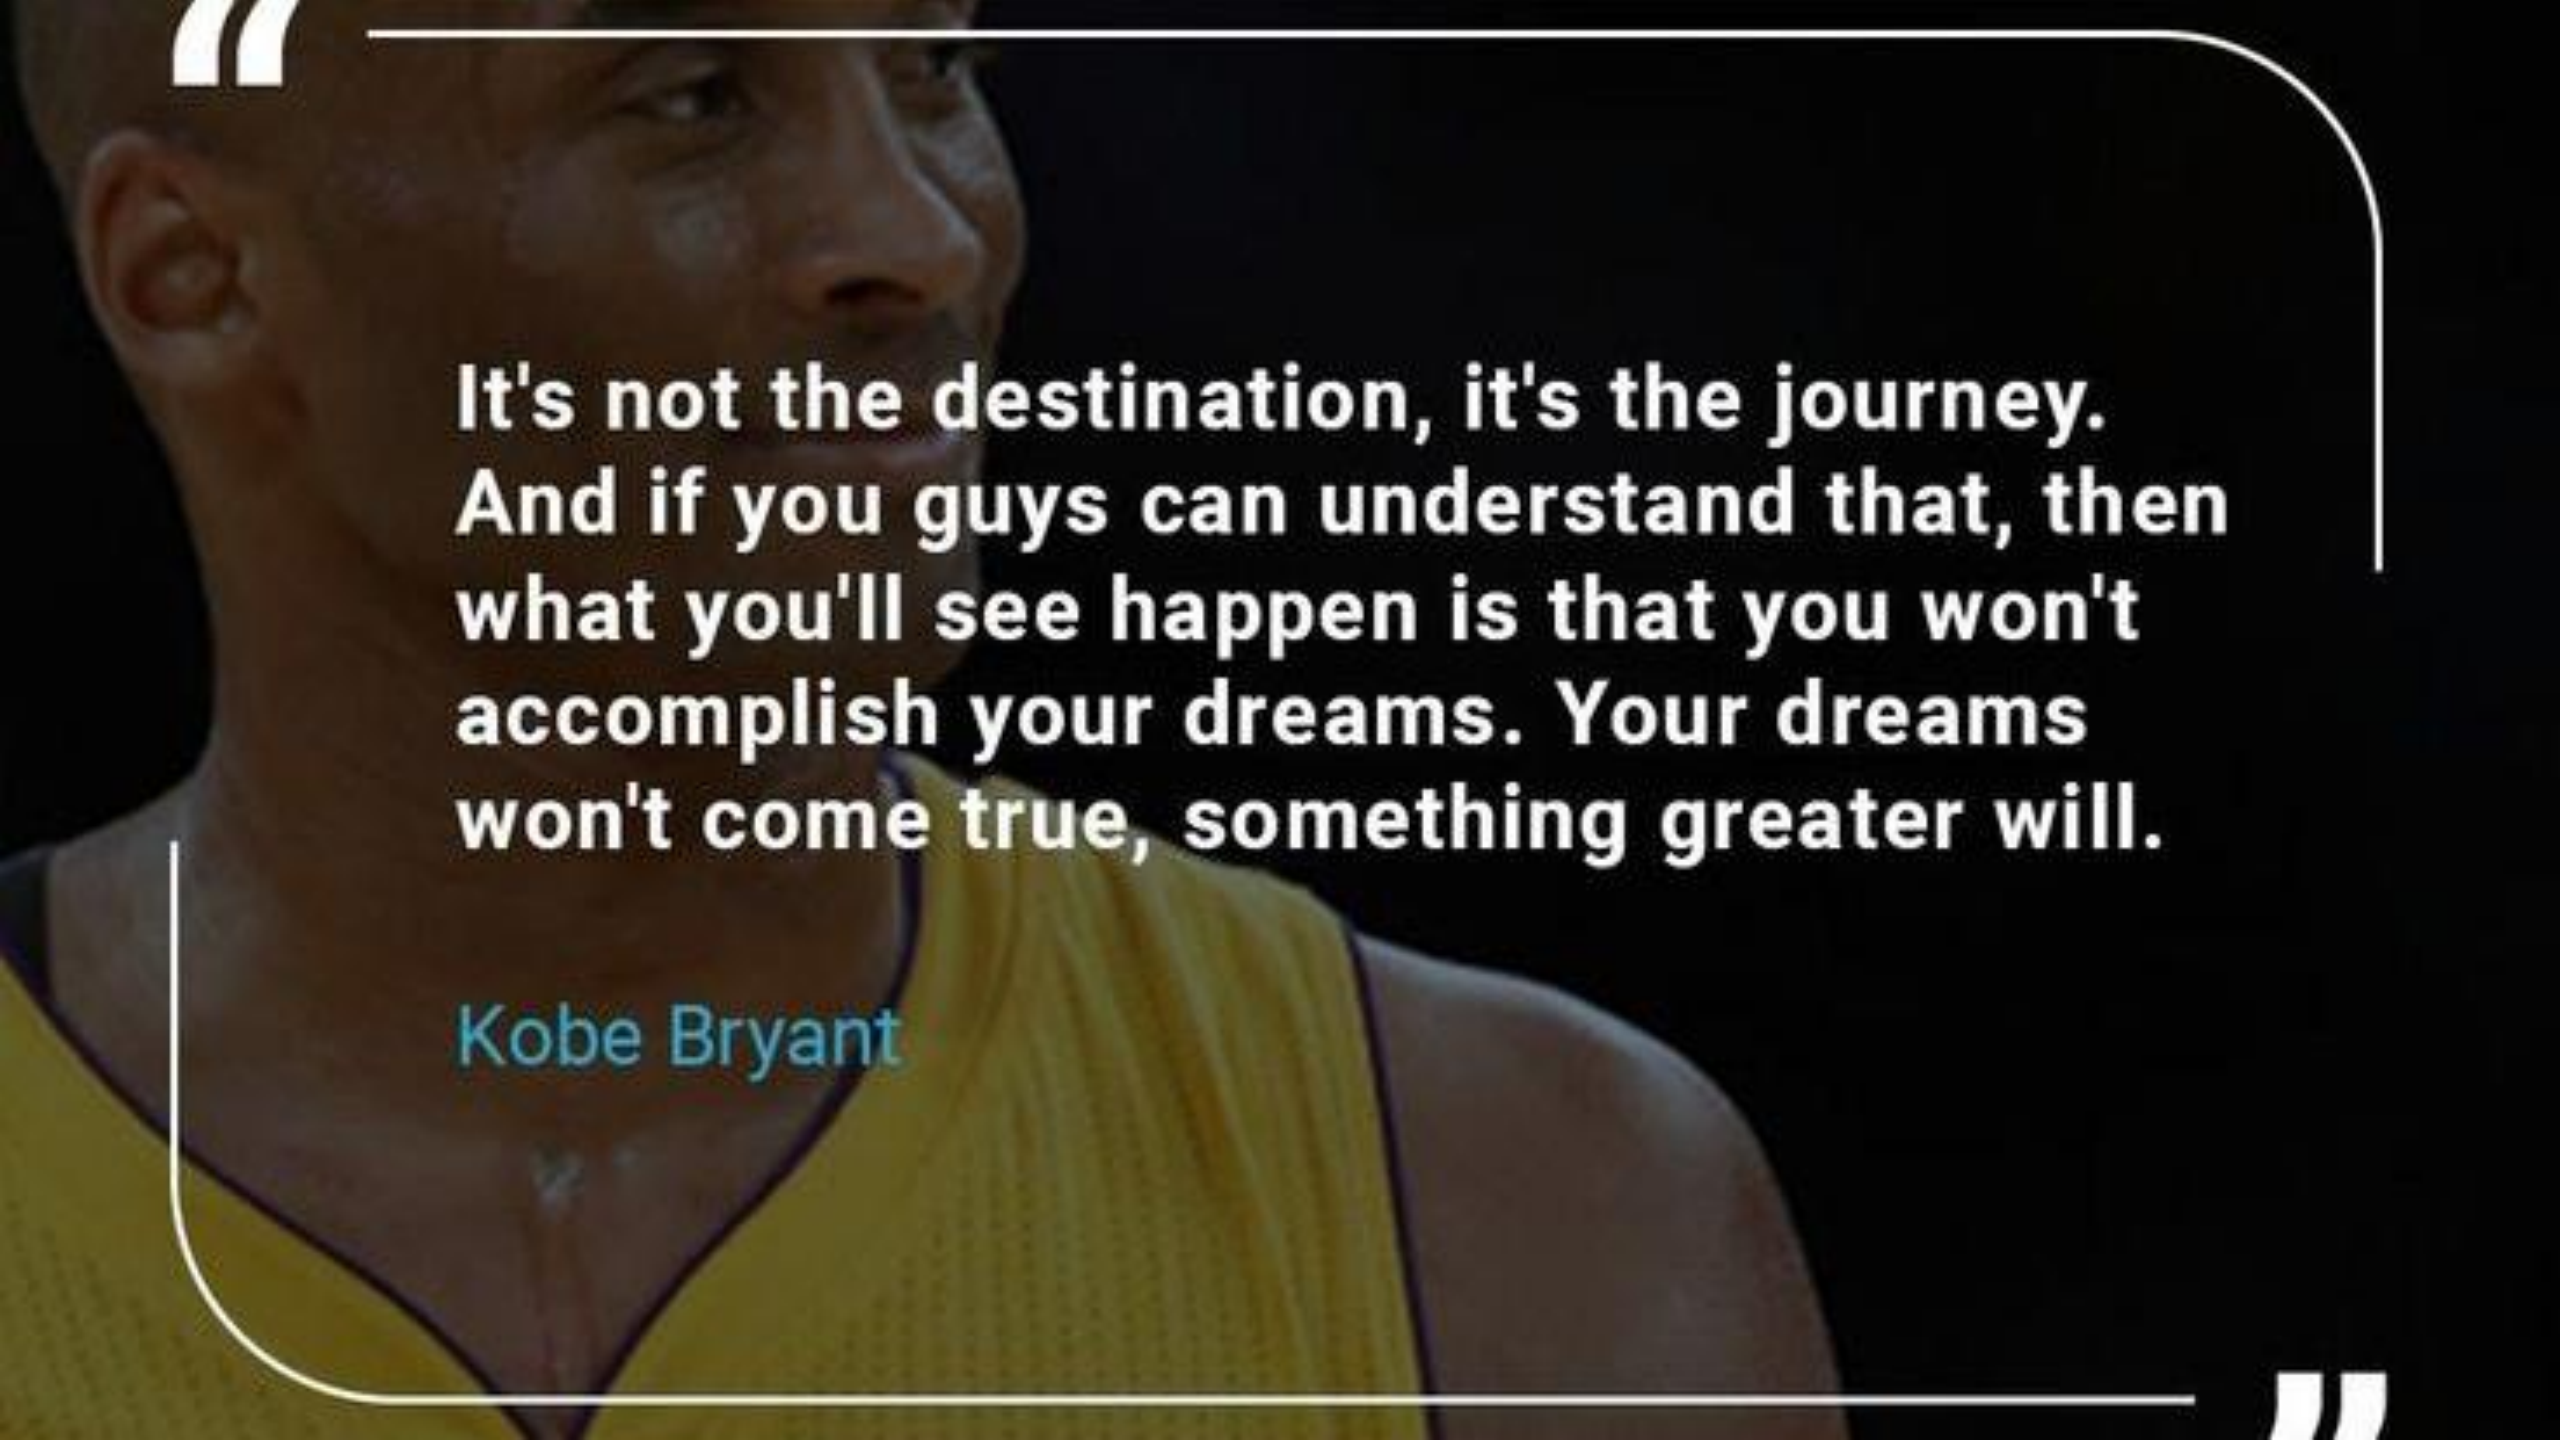

Personal
Journey in
HTM

Consult with your
younger self

Stay true to initial
promises and values

A close-up, profile view of Kobe Bryant looking to the right. He is wearing a yellow basketball jersey with purple trim. The background is dark. The quote is overlaid on the right side of the image.

**It's not the destination, it's the journey.
And if you guys can understand that, then
what you'll see happen is that you won't
accomplish your dreams. Your dreams
won't come true, something greater will.**

Kobe Bryant

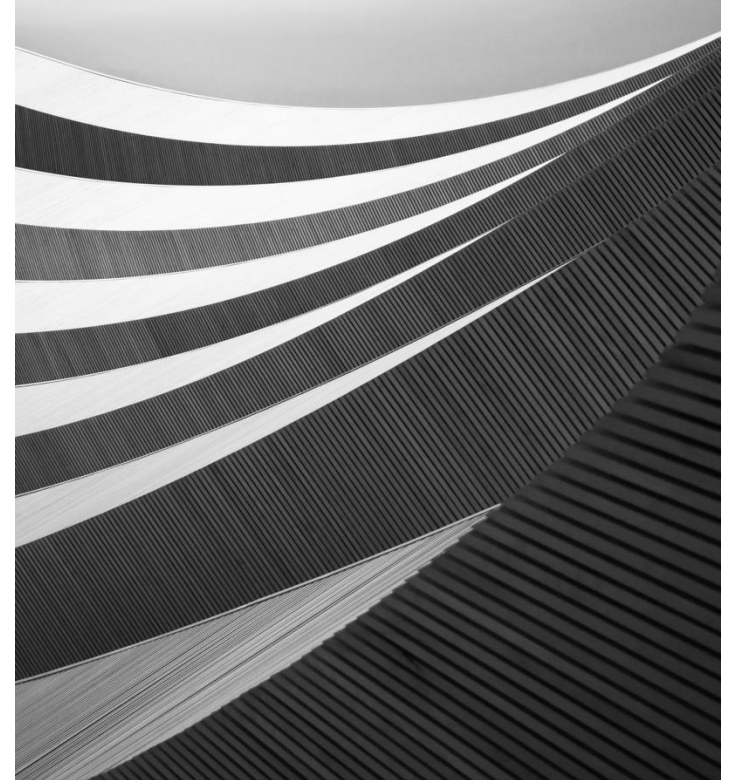

Making a Difference

Personal contributions to the HTM industry.

The importance of giving your all.

Have you heard of...

HEALTHCARE TECHNOLOGY MANAGEMENT (HTM)?

• We work in hospitals to make sure all medical equipment works when patients need it.

• We fix medical equipment when it breaks and help pick out new technology for the hospital.

• Without us, patients wouldn't be as safe.
